Daniel Doellinger
Chief of Police
Town of Chester Police Department
1786 Kings Highway
Chester, NY 10918

Dear Chief Doellinger:

At this time, I wish to submit my retirement request as a Police Officer. I have been a police officer for almost 15 years, 9 of which being with the Town of Chester Police Department. I still mostly enjoy the job and working alongside the other members of the Department. However, I will be turning 70 soon, it is time for me to focus on another line of work. I am looking forward to a shorter commute and not working in the dark.

I also want to thank you for the opportunity to work for this Department. You were part of the decision to hire me for the position. You took a chance on a 61 year old cop, and I hope that I've exceeded your expectations.

If it meets with your approval, I would like my retirement to be effective on March 17, 2015.

I wish you, the Department and all its members much success in the coming years.

Sincerely,

A handwritten signature in cursive script that reads "John McMahon".

John McMahon
Police Officer
